CAPABILITIES STATEMENT

CORE COMPETENCIES

Karen A Gregory DBA LIA Leadership In Action specializes in delivering leadership development, offering a wide range of topics that focus on cultivating effective and visionary leaders. Our competencies include designing and delivering customized leadership development programs specific to the goals of our client, conducting engaging, informative and dynamic leadership training and workshops, and providing one-on-one coaching and mentorship to emerging and established leaders.

PAST PERFORMANCE

Karen A Gregory does not use a canned program. All of our programs are customized to meet the stated goals and outcomes desired by the diverse group of organizations and individuals we serve. Our clients have commended our programs for their impact on leadership development, team-building and organizational success, and have consistently re-hired us to address additional training needs. Our commitment to excellence in our training programs is demonstrated by feedback from our clients and participants, and proven by our internal customer evaluation forms with an average rating of 4.9 out of 5.

PAST EXPERIENCE

With 17 years of experience in leadership development and training, Karen A Gregory DBA LIA Leadership In Action has established a strong reputation as subject matter experts in the world of training, coaching and speaking.
